

KS5 Maths Leaders - URGENT

Collaborative Network meeting: the New Specification and Schemes of Work

Wednesday 28th June 2017 9.30 to 12.30

£Free

***Part funding for cover to participate in the work group included!**

Enigma Collaborative Network meeting for KS5 leaders to review the key issues from the new specifications and explore the Schemes of Work being developed for the Autumn term.

This is an excellent opportunity to be up to date with the key issues around the KS5 curriculum for September and to share and discuss ideas and plan with other KS5 leaders.

This training will be led by Keith Proffitt. Keith works for Mathematics in Education and Industry (MEI). As well as writing resources and running professional development for GCSE, Core Maths and A level he has spent the last three years developing new AS/A levels in Maths and Further Maths. Before working for MEI he was a teacher for 25 years, which included 13 as Head of Department, and worked for an exam board for 5 years.

Agenda

09.30 – 09.45 Introduction – outcomes of training

09.45 – 10.15 New A levels – what are the key issues and how does a department prioritise their preparation?

10.15 – 10.45 Discussion/collaborative work on issues above

11.00 – 11.30 Designing a scheme of work – issues and resources available

11.30 – 12.30 Discussion/collaborative work on schemes of work
